WELLS HONORED — Longtime Mayo High School coach Virgil Wells, center, is presented keys to the city by Mayor Albert Coggeshall, left, after the veteran mentor won his 200th game Friday night against Scotts Branch. Looking on right is Mayo principal

Wells Wins 200th Game, Eyes Conference Crown

by DWIGHT DANA

His 200th career victory was sweet, but longtime Mayo High Coach Virgil Wells said he is more concerned about winning the conference championship.

Wells received win 200 Friday night when his Golden Bears crushed Scotts Branch 58-0. Following the convincing victory, he was presented a key to the city by Mayor Albert Coggeshall who proclaimed this week Virgil Wells Week in Darlington.

The veteran mentor, who has lost 58 games and tied 9 in his 27-year career at Mayo, has coached his teams to the AAA Conference championship for six years in a row. Many of his players have gone on to play college ball.

A highlight of Wells' career was the state championship game against perennial AA state champ Woodruff in 1977. It was the year that the star-studded Mayo squad featured such crack athletes as Paul Williams, Gerald Toney and Prince Collins.

Although the Bears lost the game which was played on Woodruff's home field, Wells said he would love to get another shot at the Upper state team which is coached by legendary Willie Varner.

Reflecting on Friday night, Wells said it was a "tremendous honor" to receive the key to the city. He noted it was a complete surprise.

"The proclamation was also a surprise," the soft-spoken coach said. "I also appreciate the trophy from the

Mayo Booster Club and the plaques presented by the players and the coaches."

Wells, who also coaches basketball and has coached baseball, is a North Carolina native who came to Darlington after he graduated from Allen University in 1953. He teaches physical education at Mayo.

In the six years the Bears have been in the 4AA conference, they have lost only one game. They have been in state play-off action for five of the last six years.

The Bears are currently tied with Maywood for the conference lead, but Wells says the last game of the season against Furman will probably determine the conference champ.

The Furman game will be played on the Mayo field on November 7. The Bears must first get by Mt. Pleasant, Bishopville and Maywood.

In the game against Scotts Branch last week, Mayo scored seven points in the first quarter, 14 in the second, eight in the third and 29 in the last stanza.

Defensive end Mack Patterson scooped up a Scotts Branch fumble late in the first quarter and dashed three yards into the end zone for a touchdown. Toney kicked the point after.

The Bears kept the momentum going in the second quarter when Barry Cannon carried the ball in from the eleven. The point after was booted by Toney.

John Williams hit Eric Jett with a seven-yard pass for Mayo's third touchdown as the first half came to a close. The point after was again good by Toney as the Bears took a 21-0 lead into the half.

Charging into the third quarter, Patterson intercepted a Scotts Branch pass and rambled 25 yards for a TD. The two-point PAT from Lee Norris Ervin to Wayne Mingo was good.

The fourth quarter proved to be even more disastrous for Scotts Branch.

Charlie Bess, a junior halfback, scored from the seven after the Bears had moved the ball quickly downfield. Ervin hit Eric Jett with the point after.

Junior quarterback Antonio McCall got the ball and scored on a six-yard run midway through the final stanza. The point after pass was incomplete.

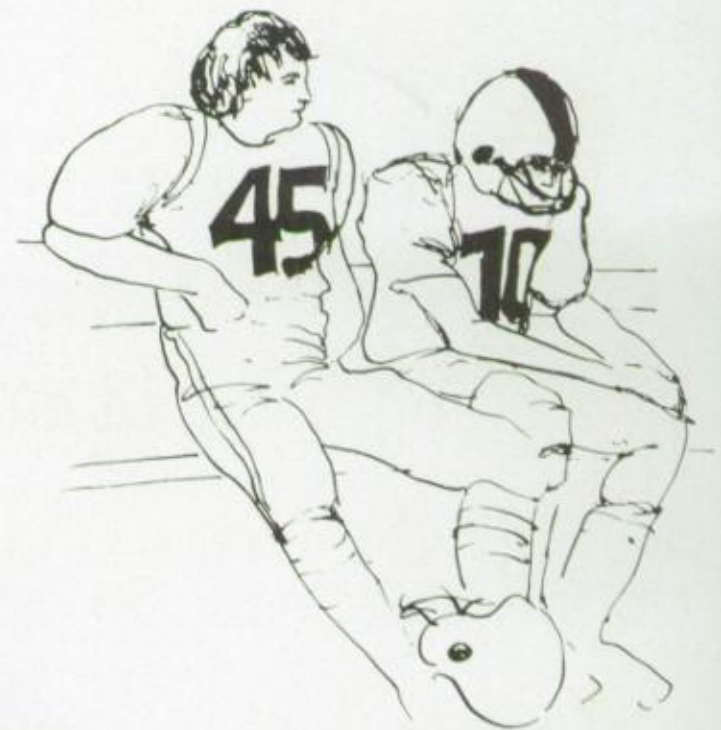

McCall spotted Jett for the third touchdown of the quarter on a 14-yard play which was followed by a two-point pass from Ervin to Jett.

Bess scored the Bears' final TD of the night to ice Wells' 200th win with a 21-yard run. Ervin's kick was good.

Mayo racked up nine first downs while Scotts Branch managed five. Bear quarterbacks Williams and McCall completed 14 of 20 passes for 153 yards.

Ervin booted the ball twice, averaging 52 yards a kick.

Mayo plays Mt. Pleasant away Friday night.

Coach Virgil Wells

Coach Virgil Wells has never coached anywhere but at Mayo High School. He is virtually an institution at the school and is held in high esteem by the faculty and student body.

Friday night was a milestone in the 27-year career of the veteran coach and physical education teacher. He won his 200th game in convincing fashion — a 58-0 drubbing of Scotts Branch.

The win makes Wells the sixth active coach in South Carolina to win 200 games. He is the second to reach the lofty plateau this season.

Other members of the exclusive club are Doug Bennett of Swansea, Willie Varner of Woodruff, John McKissick of Summerville, Pinky Babb of Greenwood and Leon Maxwell of Bamberg-Ehrhardt.

Wells has always concentrated on the basics of good offense and defense. Many talented athletes have received tutelage under the watchful eye of the veteran mentor during his illustrious career at Mayo.

Among the recent standouts are Brooks Williamson, Gerald Toney, Prince Collins, Paul Williams and George Ervin. Williamson played for the University of South Carolina while Williams is currently a member of the Gamecocks.

Gerald Toney and Prince Collins are playing for The Citadel, Collins as a starting defensive back. Ervin played for Wake Forest.

Wells' record includes 58 losses and nine ties. His charges have won

the conference championship for the last six years in a row.

They have not lost but one conference game in the same six-year period. Furthermore, the Bears have been in state play-off action for five of the last six years.

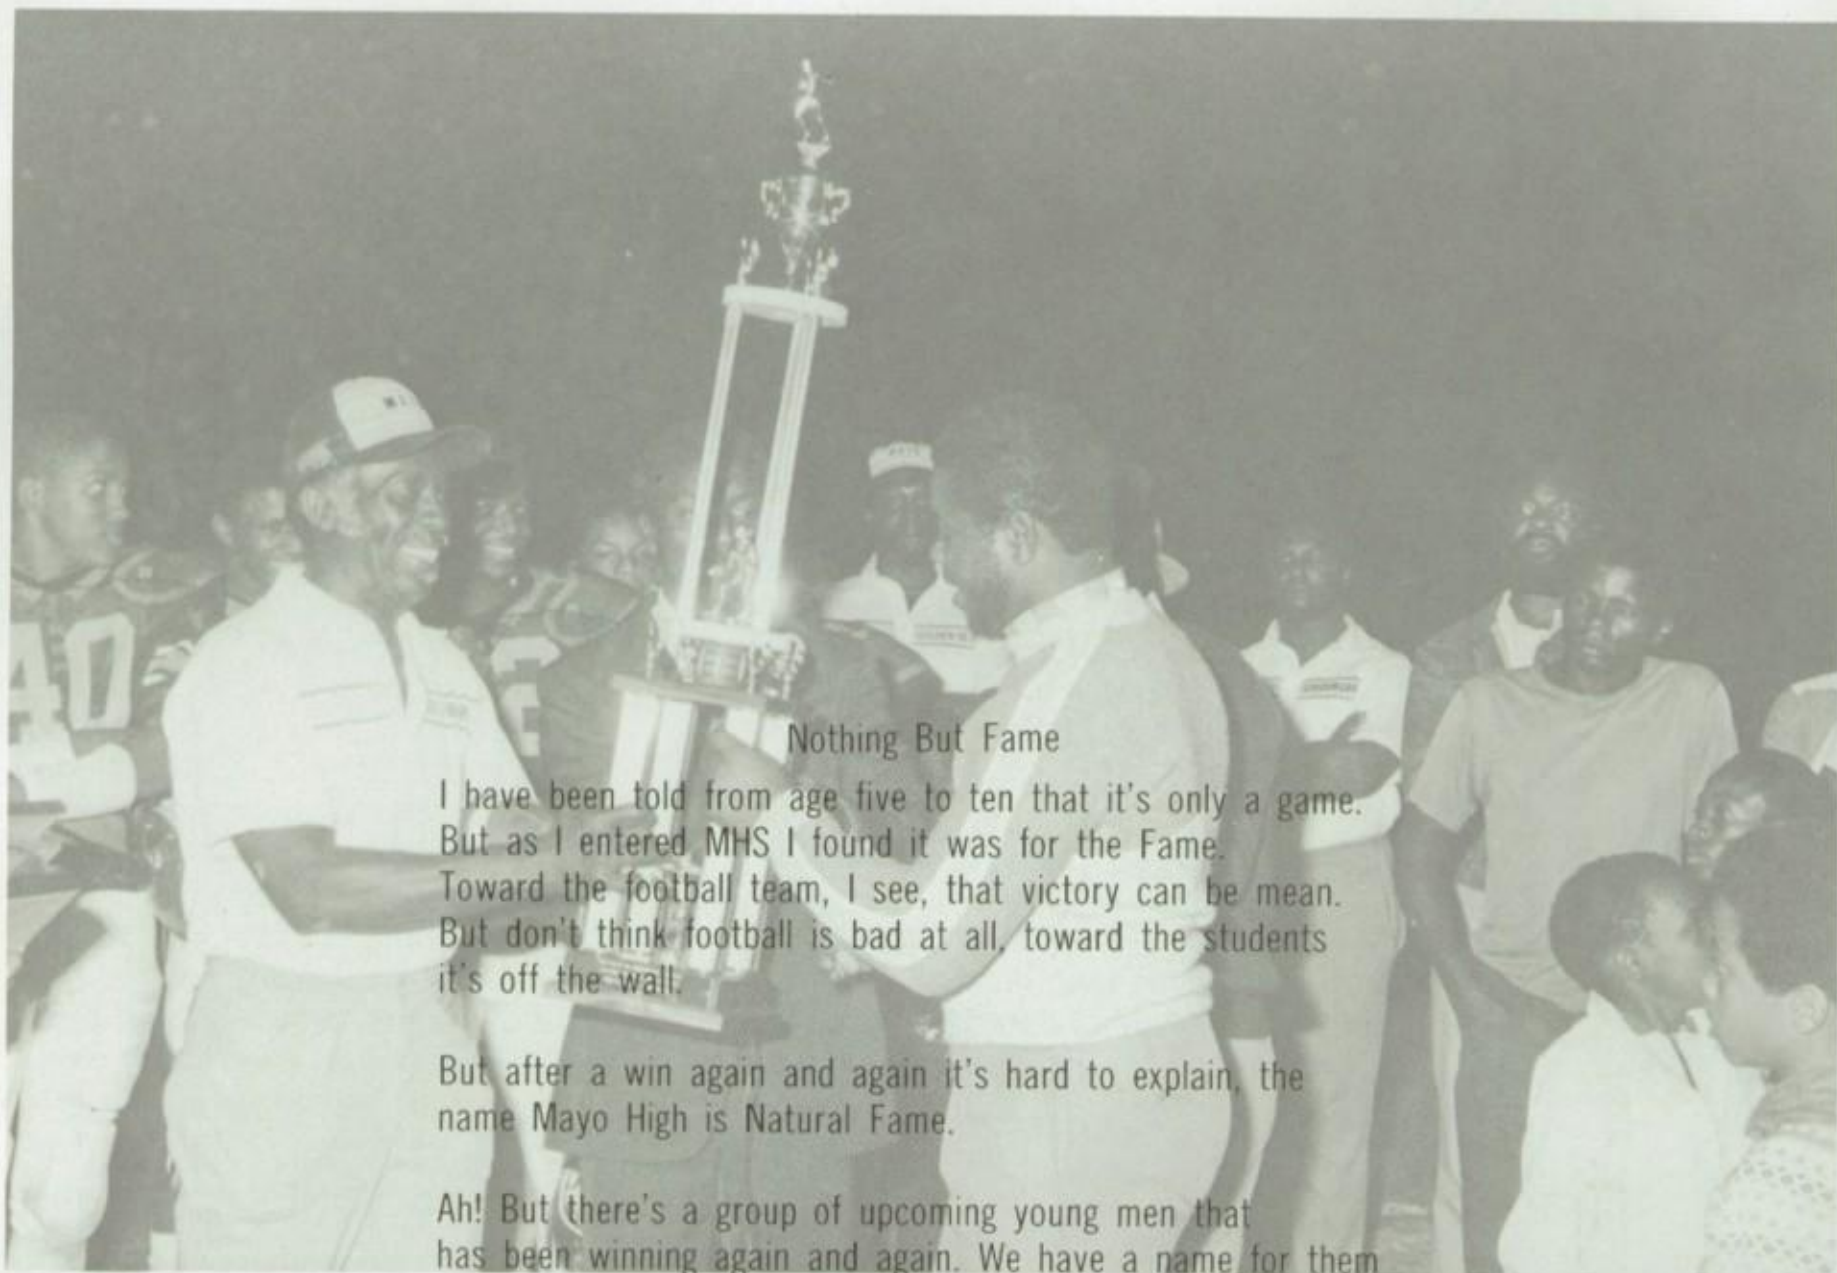

During the 1977 season, Mayo defeated powerhouse Bamberg-Ehrhardt for the lower state AA title. The Bears were 12-0 at the time and advanced to the state finals against perennial AA state champs, the Woodruff Wolverines.

Although the Wolverines brought an abrupt end to the Bears' perfect season with a 27-6 victory, Wells said the game is one of the highlights of his career at Mayo. He added that he would "like to get another shot at Varner's Wolverines."

Wells has also coached baseball and currently coaches basketball at Mayo. One of his star basketball players was Colon Abraham who played for Clemson several years ago.

Wells, a native of South Carolina, is an asset to the community and the Darlington County school system. His accomplishments are transcended only by his modesty and soft-spoken manner.

The honors bestowed upon him are well-deserved. He has brought recognition to Darlington, Mayo High School and his profession. We wish him continued success in his endeavors.

Nothing But Fame

I have been told from age five to ten that it's only a game.
But as I entered MHS I found it was for the Fame.
Toward the football team, I see, that victory can be mean.
But don't think football is bad at all, toward the students
it's off the wall.

But after a win again and again it's hard to explain, the
name Mayo High is Natural Fame.

Ah! But there's a group of upcoming young men that
has been winning again and again. We have a name for them
that's called "Undefeated", but until that name changes our
J.V. has never by anyone been seated.

From no one have we ever run, but made the worse to lots
of fun.

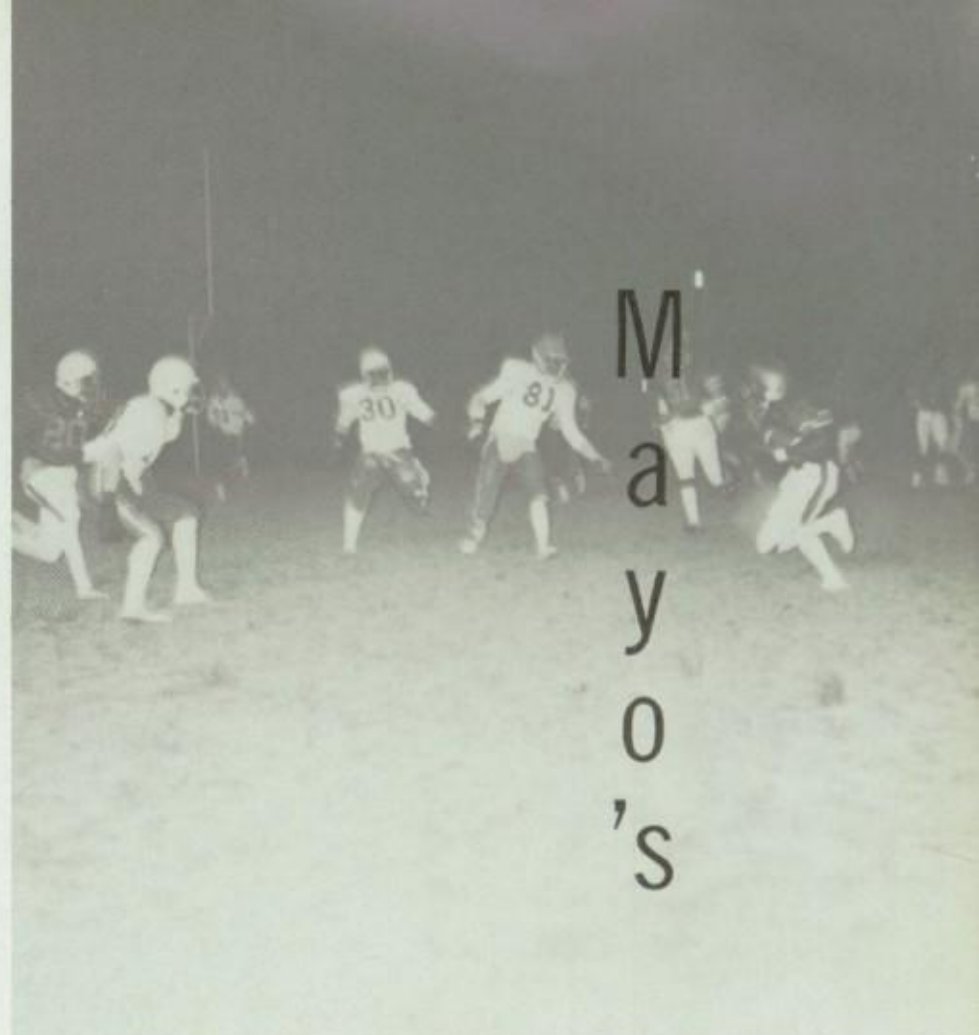

For all our great popularity toward our school, We have to
thank with ringing bells, our more than famous coach,

Virgil Wells

The Bear's Growl

by Dorothea Gilmore

Last Wednesday at Mayo was activity day. Various clubs met to get organized for the year. The clubs that met were the honor society, FHA, Block M, and the dramatics club. Activity day is held the second and fourth week of each month.

In Friday night action, Mayo's varsity football team defeated the Timmons ville Whirlwinds 25-0. Two touchdowns were brought in by Eric Jett while Lee Norris and John Williams added one a piece. This Friday night the Bears will travel to Hartsville to play the Butler Tigers.

During halftime of the Mayo-Timmons ville game, the band gave a terrific performance. They were highly applauded. The fans enjoyed their performance. Special thanks goes to Mr. Keith Dabreu for working so hard with the band to get them where they are.

A pep rally was held last Friday. At the start of the pep rally, Della Bacote gave a speech on school spirit. Afterwards, the cheerleaders gave fan cheers. Next, the starting lineup for the night was called to the center of the gym by Coach Harrison. As the program continued, the band played and the freshmen, sophomores, juniors and especially the seniors cheered their hearts out.

Thursday of this week was Ed-Op Day. Representatives from various colleges in the state came to share information about their college with the seniors. Each representative set up a table in the gym. On these tables the representatives placed catalogs, applications and brochures about the schools they represented.

This week the Beta Club had a bake sale. Cake slices, cookies, harvest squares and other baked items were sold. Beta Club officers are president, Mary Hamlin; vice president, Regina McAllister; secretary, Malissa Myers; assistant secretary, Della Bacote; treasurer, Lemoine Sawyer; chaplain, Renee Jackson; student council representative, Dorothea Gilmore.

Other members of the club are Felicia Dixon, Cynthia McCall, Byron Scipio, Cassandra Smith, Jo Ann Grant, Barbara Ann Grant, Charlotte Green and Wesley Kosin.

Teen counselors are back on their regular schedule. Tuesday they went to Pate

Elementary for the first time this year. Thursday they went to St. John's Elementary.

Saturday night the varsity boys defeated Wilson's varsity 66-64. The game was won with a two-second shot made by Eric Jett. Jett and Walter Murray were the leading scorers for the night with 22 points apiece. The varsity girls and junior varsity were defeated.

During halftime of the Mayo-Wilson game, the band played while the flag girls did a routine. The flag girls are Marion Richardson, Wanda James, Marshall Bruce, Sharon Hamlin, Hattie Toney, Sonja Jeffery, Boneva Jordan, Alvenia Branham, Belva Jackson, and Martha Wright.

The Bear's Growl

Mayo's Ed-Op Day was a great success. Thirty-nine colleges and universities were represented, including the Army and Marines. The ROTC was on hand to park cars as they arrived on the campus. The junior marshals gave their assistance to the representatives in any way they could. Guidance counselor Mrs. Joan Bradley prepared refreshments for the visitors and extended arms of welcome.

Last week the ROTC voted for "Miss ROTC." Debra Bacote received this title. Debra came to Mayo during her junior year. She is now classified as a senior.

Last Thursday night Mayo's junior varsity remained undefeated when they beat Butler's junior varsity 22-20. Outstanding players for the

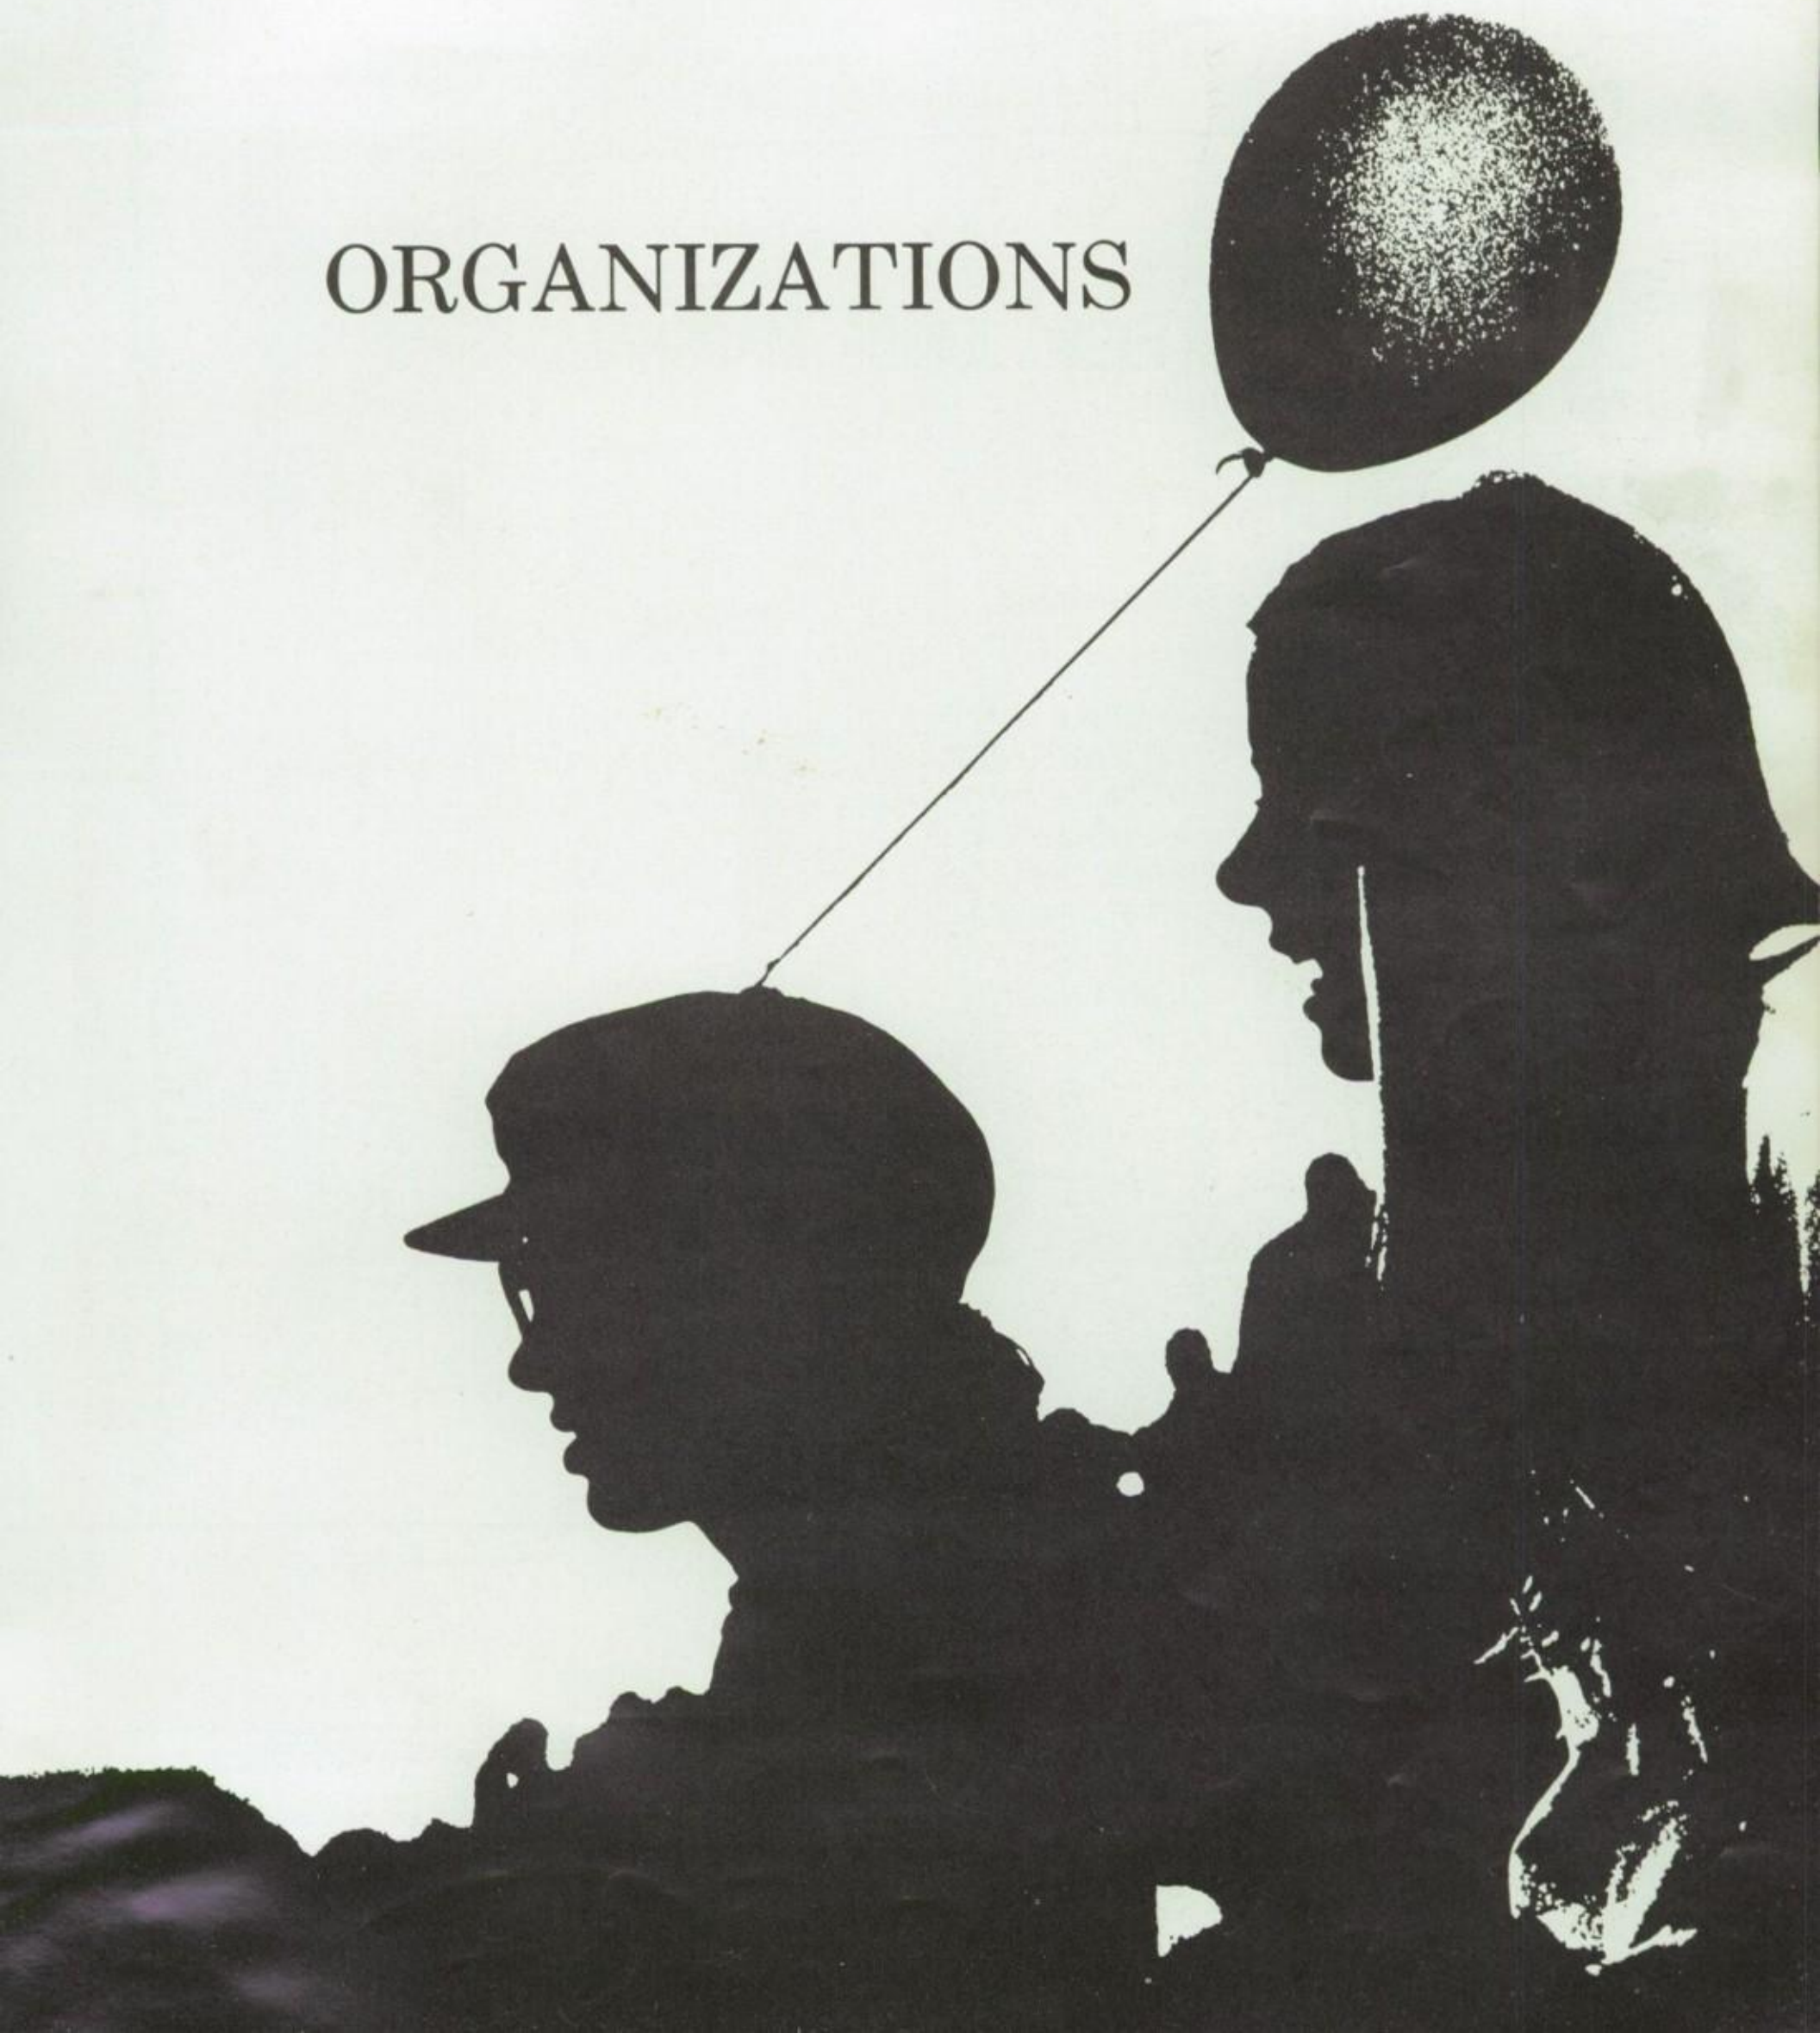

evening were George Dixon, Robbie Haney and Robert Wilds.

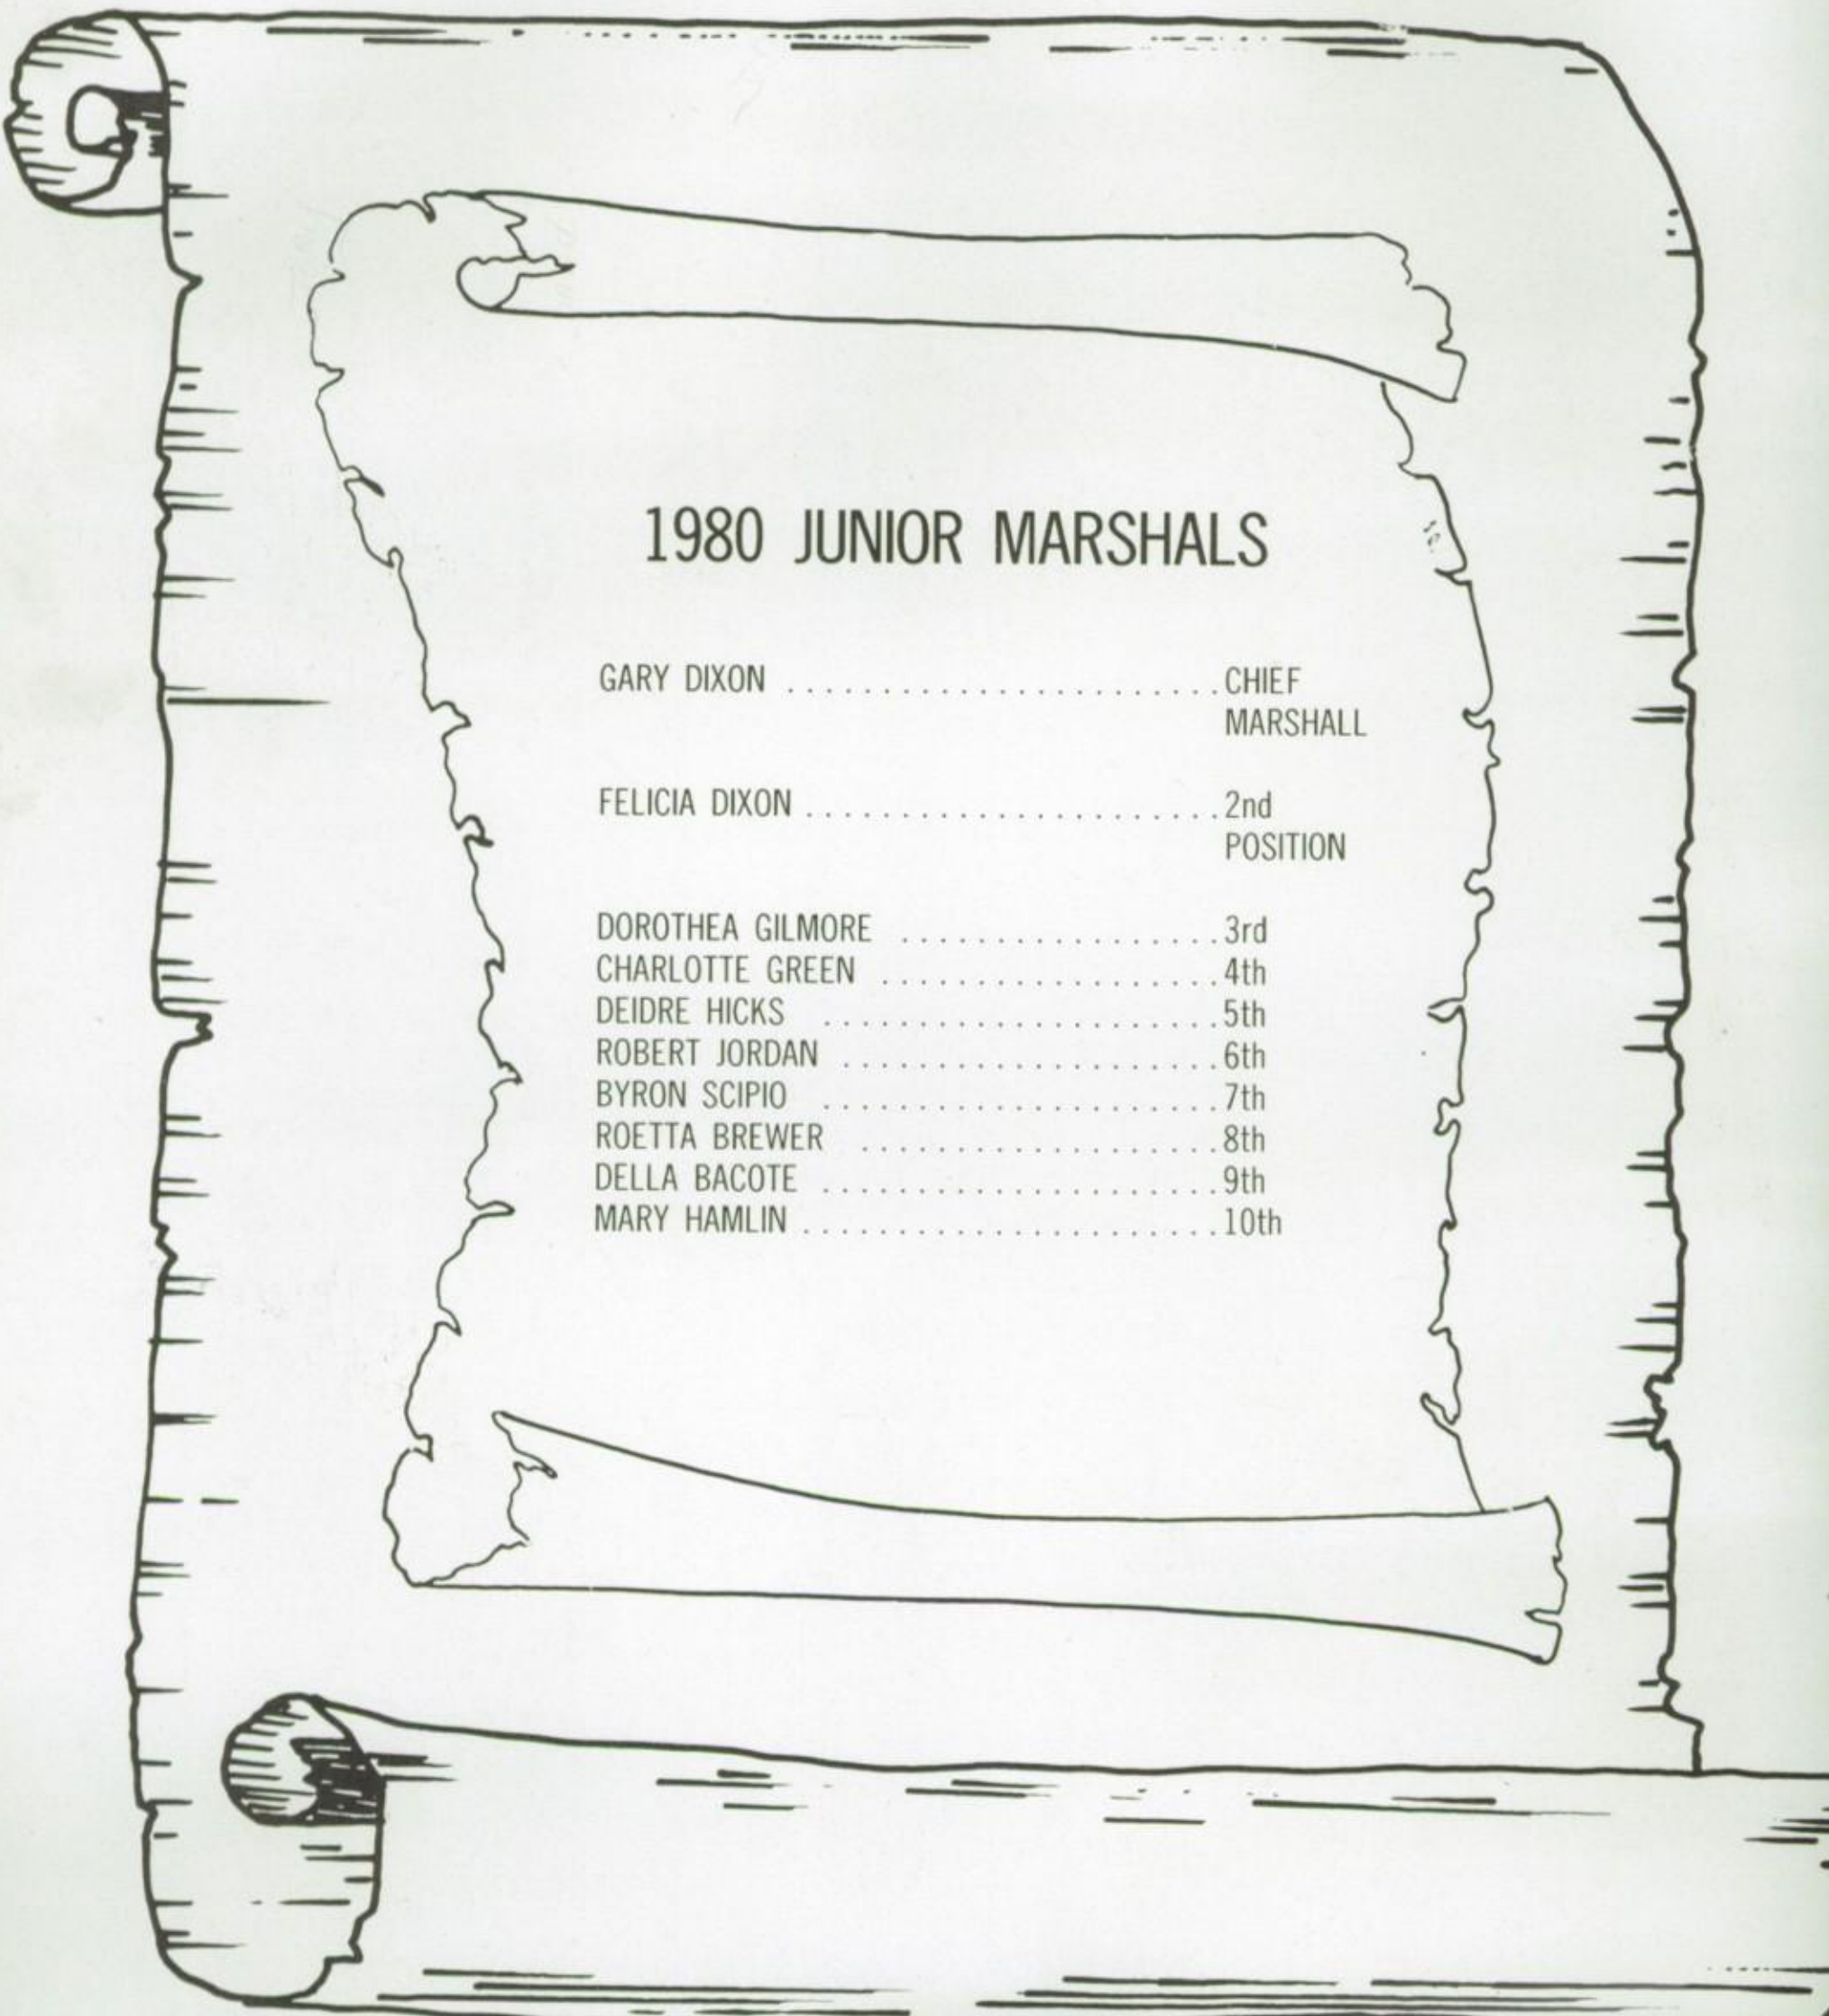

In the pep rally Friday during school, a cheering contest was held. The cheerleaders led each class section in a cheer. As a result, the freshman class was first runner-up and the mighty senior class of 1981 came out on top. To the freshmen, sophomores, and juniors, the seniors would like to say "Eat Your Hearts Out!"

"Another One Bites the Dust" has become a familiar slogan around Mayo. This slogan said it all last Friday night when the Bears stomped the undefeated Butler Tigers 20-0. Mayo's student body would like to say to their great football team, "You will never bite the dust!"

The Presidents Message

To My Fellow Mayoites,

The advancements and achievements that others have made in the past have made the way brighter for us here at Mayo. But in order for us, as students, to be able to maintain and foster the high morals, the great spirit and the prestigious reputation earned in the years before, we must work harder and continue to grow even wiser through physical participation.

Then we must let our achievements reflect upon our community by making it more prosperous through our new ideas and the fundamental resources that we will receive here at Mayo.

In closing, I would like to suggest that by first promoting ourselves, we can enrich the standards of living in our community and in our schools. We must excel in the years to come, because it is the expectancy of all Mayoites.

Interested in drama and dance she joined the Drama Club. Marsha has also participated in the SAE. Her classmates have selected her as *The Biggest Flirts* and *Most Unselfish*. She devotes most of her time transporting students to and from school as she is a student bus driver. Her poise and personality were vital points to consider when she was elected Miss Band, Miss Bus Driver, and a contestant for Miss Mayo and Miss Homecoming. Good Luck Marsha!!!

I love
Walter C. Fiddell,
more than all have
ever loved anyone
the world to day. I hope
our love for each other will
stay as sweet and pleasant
is now, I will never
someone as I care for him
May God care for him (accepting God)
Bless you
Love
Marian
